Dear Dharma,

It was so nice to receive your letter and I appreciate you sharing the good news of the Alzheimer's Research & Prevention Foundation's paper on memory loss as published in the Journal of Alzheimer's Disease. You should be so proud of this accomplishment – Bravo!

The fight against Alzheimer's disease is one that will always remain close to my heart. I commend all your time and increasing effort into Alzheimer's awareness and continuing the fight to find a cure for this terrible illness.

Again, thank you and I wish you all the best.

Warm Regards,

Maria Shriver
